

HZ311

- Conventional single stage applications up to 3 zones 1H/1C
- Push terminals
- Smaller footprint
- Variable speed fan control

HZ311K

- INCLUDES HZ311 TrueZONE panel, AT140 40VA transformer, C7735A discharge air sensor

HZ322

- RedLINK enabled with wireless adapter
- Conventional and heat pump applications up to 3 zones (2H/2C)
- Push terminals
- Smaller footprint
- Variable speed fan control

HZ322K

- INCLUDES Honeywell TrueZONE HZ322 Panel, AT140 Transformer and C7735A discharge air sensor

HZ432

- RedLINK enabled with wireless adapter
- Conventional, heat pump or dual fuel applications (3H/2C)
- Push terminals
- Variable speed fan control
- Expandable up to 32 zones with TAZ-4 add-a-zone panel

HZ432K

- INCLUDES Honeywell TrueZONE HZ432 Panel, AT140A transformer, C7735A discharge air sensor
