Terms & Conditions

https://www.masterpartlist.com/TermsandConditions.aspx - Google Chrome
https://www.masterpartlist.com/TermsandConditions.aspx

Terms of Use

These Terms of Use ("Terms of Use" or "Agreement") sets forth the terms and conditions pursuant to which the owner of this website ("Owner") may grant you the right to access and use this website, including all products, information, materials, content, services and other features that are contained in this website (collectively, this "Website"). As used in these Terms of Use, (i) the terms "user," "your" and "you" refer to any and all parties accessing or using this Website for any reason, including the employer and company on whose behalf you are accessing or using this Website, (ii) the term "Affiliate" means, with respect to the Owner, any entity that, directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with the Owner, and (iii) the "Owner Entities" refers to, collectively, the Owner and its Affiliates.

Acceptance of Terms

By accessing or using this Website in any manner, including but not limited to downloading or using any Application (defined below), you acknowledge and represent that you have read, understood, agree to be, and shall be, bound by, and hereby accept these Terms of Use. IF YOU DO NOT AGREE TO THESE TERMS OF USE, DO NOT ACCESS OR USE THIS WEBSITE.

The Terms of Use will remain in full force and effect for as long as you are a user of the Website. The Owner retains the right to revoke the licenses and permissions to use the Website granted hereunder for any or no reason and without liability and to disable and deny access to any user for any reason or for no reason at all.

Changes to Terms

We may modify these Terms of Use by providing you with reasonable notice of the changes on this Website prior to the changes becoming effective. BY CONTINUING TO USE THIS WEBSITE AFTER THE NOTICE PERIOD HAS PASSED, YOU ACKNOWLEDGE AND AGREE THAT YOUR USE OF THE WEBSITE WILL BE GOVERNED BY THE NEW TERMS.

Limited License and Website Access; All Rights Reserved

All information, data, specifications, text, communications, graphics, user interfaces, visual interfaces, photographs, trademarks, logos, sounds, music, artwork, computer code, Applications, and any other content contained in this Website (individually and collectively, "Content"), in addition to any features or services offered on or in connection with this Website ("Services") are owned or controlled by, or licensed to the Owner. The Content is protected by trade dress, copyright, patent, and trademark laws, and various other intellectual property rights (individually and collectively, "IP Rights").

Subject to the terms and conditions of these Terms of Use and your continued compliance herewith, the Owner hereby grants you a non-exclusive, non-transferable, non-sublicensable, revocable and limited license to access and use this Website and the Content for your company's non-competitive business purposes. This license does not include any right for, and you shall not engage in any activity relating to, the resale or commercial use of this Website or the Content; any derivative use of this Website or the Content; or any use of data mining, robots, or similar data gathering and extraction tools. Certain features of this Website may allow you to download information or materials from this Website and print out a hard copy for internal business purposes, provided that you keep intact and do not remove or alter any copyright or other notice (e.g., trademark, patent) contained in such information or materials. Such downloadable and/or printable information or materials constitutes Content under these Terms of Use and is subject to the terms and conditions herein.

This Website or any portion of this Website may not be reproduced, duplicated, copied, sold, resold, visited, or otherwise exploited for any purpose not expressly permitted in these Terms of Use without the express prior written consent of the Owner. You shall not frame or utilize framing techniques to
