*Eligibility for both paths (A & B), as covered in the highest CEE tier levels are listed

**Air conditioner and heat pump ratings are based on U.S. government standard tests of the models combined with a matching indoor coil. Efficiency ratings may vary with different coils. Similarly, efficiency ratings may vary when combined with different furnaces. This Statement was issued to a taxpayer in reliance upon representations made by the taxpayer regarding the product purchased and, where applicable, the combination of such product with the proper coil and/or furnace.

NOTE: Allied Air Enterprises, LLC ("Allied") is not a tax advisor and does not make any representation, warranty, guarantee or other assurance as to whether a particular matchup qualifies or is eligible for a tax credit. This document has been prepared for informational purposes only and is not intended to provide, and should not be relied on for, tax advice. The IRS is responsible for the implementation and administration of tax credits. There are important requirements and limitations for the homeowner to qualify for tax credits. Moreover, the tax laws are subject to change. As a result, Allied highly recommends that you and your customers consult with a tax advisor regarding a homeowner's qualification for a tax credit in their particular circumstances and verify and review the applicable tax laws and regulations. Allied expressly disclaims all liability for damages of any kind arising out of a homeowner's claim for a tax credit.
